Hello,

I will be out of the office on 7/6, but Keith will lead a de-brief on last week's clothianidin and thiamethoxam colony feeding study discussion with PMRA and CDPR.

A call-in line has been set up:

Dial in number: (866) 299-3188

Conference code: Ex. 5 - Deliberative Process

Thanks,
Monica

Hello everyone,

This meeting will be a biweekly check-in for the imidacloprid, clothianidin, thiamethoxam, and dinotefuran teams across EFED. It can serve as a platform for coordination across teams and with PRD, a time to discuss technical issues and compare notes, and to help keep everyone engaged and on track as we continue to work through the neonic pollinator PRAs.

If you have any agenda topics, feel free to send them to me as they arise, and I can compile them as the meeting draws near. If there's nothing to discuss for a given date, we will cancel.

Thanks,
Monica
